- ▶ **VIRTUAL INTERNSHIP PROGRAM**

VIRTUAL INTERNSHIP PROGRAM

Project-based work that will be guided by a mentor within an **American Organization** that will not only supervise the virtual interns, but also help with the development of hard and soft skills.

Use of technologies that will help the virtual intern gain practical knowledge without an on-site experience at the work place.

3-6 month placements, part-time or full-time. It is up to the candidate/university.

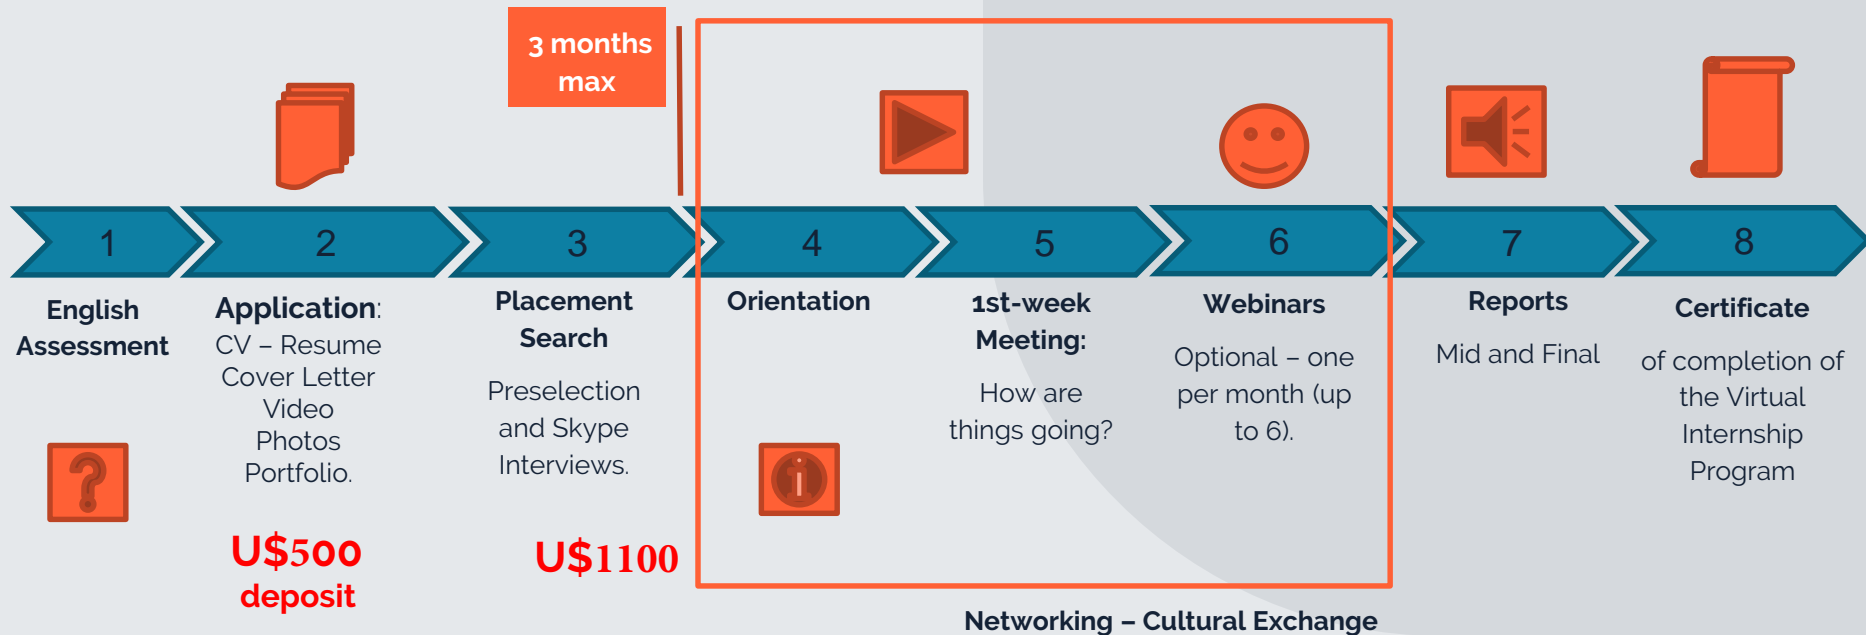

BENEFITS FOR THE PARTICIPANTS

- Work network – get connected with other students around the globe during the Virtual Internship Program. **NETWORKING**
- Enhance knowledge and understand American remote working methods.
- Enhance their profesional profile by listing work experience with a US-based Company and improve their future **EMPLOYABILITY**.
- Improve skills like: responsibility, time management, autonomy, Project Management, etc.
- Practice English on a regular basis. Learn lingo used in a business setting through the Exchange of ideas, emails and weekly meetings with colleagues.
- Gain international experience and reduce application costs and receive bonuses at the end of the program

BENEFITS FOR THE UNIVERSITIES

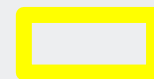

- Immediate solution to their internship placement needs for 2020-2.
- Improve the **RANKING OF THE STUDENTS** in the labor market.
- Academic follow-up through reports and direct communication with the businesses.
- Virtual Internship flexible start dates – twice per month!
- Faster processing times – 3-month placement turnaround!
- Their students can attend university if needed be during the Virtual Internship Program.
- Given that these will be unpaid virtual internships, we will be able to find positions in almost every field of study
